## 4400200 GEL FILLED EXTERNAL KNEE PADS

**HOOK & LOOP  
ADJUSTABLE STRAPS**

**DURABLE PE SHELL**

**IMPACT  
ABSORBING  
GEL POUCH**

### DESCRIPTION

Suitable for wearing over any trousers, Blackrock's gel filled external knee pads give excellent knee protection. A PE shell to the front provides stability and a gel pouch next to the knee absorbs and dissipates impacts, reducing wear and tear on knees. They are easily put on, secured and adjusted with hook and loop fasteners.
