

TECHNICAL DATA SHEET

BRPFNG DEXTRA TOUCH DISPOSABLE NITRILE GLOVES

**TEAR RESISTANT
BEADED CUFF**

POWDER FREE

DESCRIPTION

Blackrock's Dextra Touch disposable nitrile gloves give excellent sensitivity and dexterity and are medical grade 1.5 AQL quality, with good puncture and tear resistance. Powder-free and non-sterile, they are suitable for a wide range of general handling applications, as well as being ideal for people working with solvents, oil and grease such as mechanics, engineers, etc. They are also an excellent alternative for people with a latex allergy.
