

TECHNICAL DATA SHEET

SF103 BLACKROCK BREEZE TRAINER

MESH & ACTION NUBUCK UPPER

PROTECTIVE
STEEL TOE CAP

PROTECTIVE NON-
METALLIC MIDSOLE

DESCRIPTION

Blackrock's Breeze Safety Trainer is a modern style that is ideal for a wide and varied range of industries. It features a mesh and action nubuck upper and has steel toe cap protection and a lightweight, metal-free penetration-resistant midsole. The hardwearing, dual-density PU sole is shock absorbent, anti-slip, and fuel oil resistant.
